

COMMUNITY USE OF SCHOOL PREMISES
(Equal Access)

Although the basic purpose of public school premises is to provide the youth of the community a sound educational program, the complete function of education is not achieved until the school premises are made to serve the entire community. To accomplish this objective, when school premises are not in use for school purposes, the Board shall, upon payment of the prescribed fee and subject to the requirements of applicable regulations, permit the use of school premises for auxiliary, educational, recreational, cultural, civic, social, religious or other Board-approved purposes.

The District may rent or lease premises to a public or nonpublic university for use for evening and summer classes.

Any school within the District receiving Title I funding must offer the same premises access to Boy Scouts as to other organizations.
