General Guidelines About Your Individual Professional Development Plan (IPDP)

1. **What is an IPDP and when should it be started/completed?**
   An IPDP is your proposed program of professional growth that you plan to complete for renewal of your teaching license. The plan must be approved and completed prior to license renewal. The sooner you begin working toward the completion of your IPDP, the longer you will have to complete your proposed activities. The timeline for completion of the IPDP activities is the duration of your license.

2. **Who must have an IPDP?**
   An IPDP must be completed by any educator prior to renewing a license. If you have a permanent certificate, you will not need to file an IPDP with the Local Professional Development Committee.

3. **What is the Local Professional Development Committee (LPDC)?**
   This is a group of Knox County Career Center (KCCC) educators who will be reviewing and approving each educator’s IPDP. Final approval by the LPDC is required prior to issuance of your professional educator’s license.

4. **Who serves on the LPDC?**
   The committee consists of five educators from the KCCC, three members of the Knox County Career Center Teaching Staff selected by a representative of the district’s teachers, and two members from the KCCC administrative team appointed by the career center superintendent.

5. **Who will actually review the IPDPs?**
   The actual review will be completed by the committee of five educators (as described above).

6. **What are the requirements to renew a license?**
   In order to renew a license, you must accrue **18 continuing education credits (CEUs)**. A minimum of three CEUs (1 semester hour) must be for formal college coursework. There are a variety of professional development activity categories for you to choose from (see appendix). The activities must take place over the life of the license you are renewing. They must also be consistent with the career center’s building improvement plan, goals, or mission statement, and relate to your current work assignment (as stated in your IPDP Proposal).

7. **How do you convert your clock hours and semester hours to CEUs?**
   For details, refer to the Group Activity Guidelines and the Course Conversion Chart. Generally, one clock hour of activity equals 0.1 CEU (i.e., 10 clock hours would equal 1 CEU). One semester hour of college credit equals three CEUs.
8. **How often should you submit your activities for approval?**  
College credits and workshops do not need to be pre-approved. Activities that are submitted from groups three and four (see Group Activities Guidelines) must be pre-approved by the LPDC. However, you will need LPDC pre-approval for tuition reimbursement.

9. **How often does the LPDC meet?**  
The LPDC meets on a monthly basis to review all submissions.

10. **What happens if your work assignment changes?**  
If there is significant change in your work assignment, you may revise and resubmit your IPDP. However, all activities accumulated prior to the revision of your IPDP will be applied to your 180 clock hour requirement. (18 CEUs)

11. **How many licenses can I have? What costs are involved?**  
Each educator will have only one license and it will last for five years. The current cost is $200 to renew your license. As your previous certificates expire and are added to your existing license, there will be a $20 fee each time areas are added to your license.

12. **Where do I locate the various IPDP and LPDC forms?**  
Forms can be located in the drawer labeled “LPDC” under the staff mailboxes in the copy room adjacent to the main office.
Responsibilities Of The Educator

Educators working under professional licenses (five year) are responsible for meeting the requirements for renewal of their licenses. Educators must work with their LPDC to complete the renewal process.

Each educator will be responsible for:

- Developing and implementing her/his professional development plan.
- Documenting his/her professional development and maintaining records of activities.
- Following renewal procedures and timelines.

Educators wishing to renew a five year license must:

- Complete an IPDP proposal and obtain approval for the plan from the LPDC.
- Work with the LPDC for approval of CEUs and equivalent activities.
- Submit verification of CEUs and equivalent activities along with proper forms for LPDC signatures.
- Submit renewal application (available online Ohio Department of Education Website), to the Ohio Department of Education with LPDC signed approval.

PROFESSIONAL LICENSE (5 YEAR—FURTHER RENEWAL)

PLEASE SEE THE ATTACHED FORM REGARDING CHANGES IN THE OHIO LICENSURE STRUCTURE.
Steps For Renewing Your License

1. Complete your IPDP Proposal Form (see page 8) and submit it to the LPDC.

2. Once your IPDP has been approved, begin completing the activities relevant to your identified goals. **Be sure to document the time, activity type, CEUs attained, and other necessary verification of completion information.** Please note that activities (Group 3 & 4) need pre-approval (Pre-Approval/Verification Form [see page 15]) to ensure that the activity will be granted credit.

3. Maintain a portfolio of your documentation. The LPDC will not maintain central records of your information other than a copy of your pre-approved IPDC proposal form.

4. Following January 1 of the year your license is due to expire, submit your completed portfolio or file documenting your activities to the LPDC for final approval.

5. Secure an application for license renewal from the online through the Ohio Department of Education website, complete it (LPDC committee member must sign), and submit the form with your check to the Ohio Department of Education.
The requirement for a process which allows an educator to appeal the decision of a LPDC is found in the Ohio Revised Code as well as in Ohio’s Teacher Education Licensure Standards. While the mandate is clear, the determination of how this process is implemented at the local level is left to each LPDC.

The Knox County Career Center Appeals Process will comprise of the following steps:

1. **Reconsideration.** If an educator disagrees with a LPDC decision, the educator will be given the opportunity to meet with the LPDC in person and discuss the IPDP and his/her case. This discussion will also serve to help the educator gain an understanding of the perspective of the LPDC.

2. **Third Party Review.** If, after the reconsideration process has taken place, the LPDC and the educator are still unable to come to an agreement, a third party will review the decision. This third party will consist of a three person panel: one licensed educator selected by the LPDC; one licensed educator selected by the appealing educator and one licensed educator agreed upon by the LPDC and the appealing educator. These three individuals will function as a panel to review the LPDC decision and either uphold it or overturn it.

3. **Initiation of Appeals Process.** An educator who is in need of initiating the appeals procedure will: (a.) submit the Appeals Procedure Form (page 7) to the Knox County Career Center Appeals Board within five (5) days of her/his unsatisfactory local appeal. (b.) be available to address the Knox County Career Center Appeals Board.

4. **Response.** Following the hearing, the educator will receive a written decision from the Knox County Career Center Appeals Board within ten (10) working days.

5. **Decision.** The decision of the Knox County Career Center Appeals Board is final and may not be further arbitrated.
